## Product Change Notification

We are writing today to inform you that we will make some changes as shown in the subject for the reason described below.

We will announce them in advance.

1	Products affected	GT Series (Please refer to attachment 1 and 2 for part number information.)
2	Replacement product	Please refer to the attachment 1 and 2. *Only GT5EC -1 P-DS will have a part number change.
3	Classification of change	Packaging specification change
4	Changes	We are changing packaging from Paper reel to Plastic reel. As a result, we will change the quantity of some products. Please refer to attachments 1 and 2 for details.  In addition, there will be no change in product appearance, product performance, or prescribed dimensions related to automatic mounting machines as a result of the change.
5	Reason for change	By changing the material from paper to plastic, we are trying to clean up the company connector assembly process, and the customer's connector mounting process, by eliminating fiber pieces that result from paper.
6	Schedule of change	We are going to change after May 1, 2020. *Please refer to attachment 1 for GT5EC-1P-DS.
7	Date of your acknowledgement	April 30, 2020

We kindly request that you inform your Hirose business representative of your acknowledgement by the aforementioned date.

In the absence of a response by this date, please be advised that the replacement product described above will be delivered.

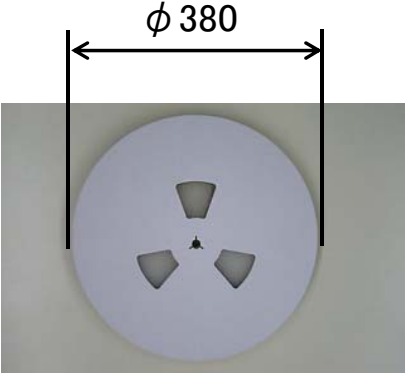

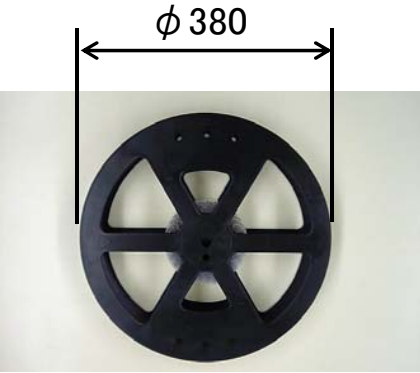

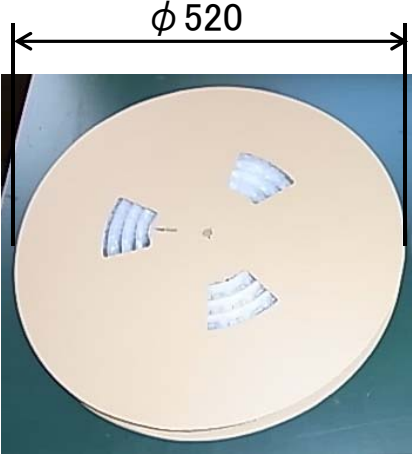

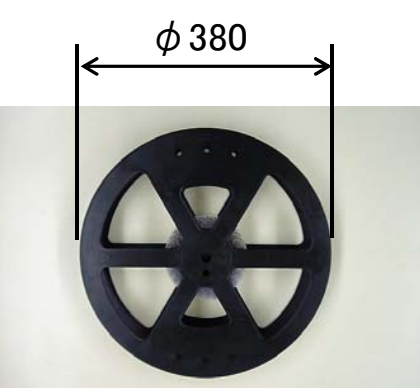

If you should have any questions, please feel free to contact a Hirose business representative. Your understanding and cooperation are highly appreciated.

■Product List Business 430-\_19022 GT Series Packaging specification change
